Friends of Cambridge Rindge and Latin School

Helping students discover the power of their ideas.

Helping teachers get them there.

FOCRLS

First Scholars Award and The Dr. Christopher Saheed Future Educators Scholarship

First Scholar Awards, based upon both academic merit and need, go to seniors who will be the first in their families to attend a four-year college or university.

The Dr. Christopher Saheed Future Educators Scholarships are given in honor of the former CRLS teacher and principal to academically-talented seniors who intend to pursue a career in education.

One of our first "First Scholars" with his mother at CRLS Scholarship Night before heading to Boston University.

Unsung Heroes Awards

These awards recognize student achievers whose progress and efforts deserve to be seen and appreciated by the school community.

Each term, 16 students, one representing each grade and learning community, are nominated by deans, faculty, and counselors for their efforts in the areas of citizenship, stewardship, improved attendance, academic improvement, or athletic leadership and awarded with certificates and watches customized with the CRLS Falcons logo at a CRLS-family breakfast ceremony.

Faculty Innovation Grants

OUR FLAGSHIP PROGRAM

*Faculty Grants energize the curriculum for hundreds of CRLS/Rindge School of Technical Arts (RSTA) students. Since its inception in 2007, scores of faculty, counselors, librarians, social workers and academic club advisors have received grants of up to \$1,000 from **FOCRLS**. Faculty Grants go to courses and programs representing the diversity of the CRLS curriculum, from the technical arts to the performing, media, and fine arts; from sciences to humanities, author visits and musician master classes, and much more.*

Faculty Distinction Awards

Faculty Distinction Awards give students the opportunity to honor the instructors who have made the most significant contribution to their learning and growth while at CRLS.

Recipients of these Awards are nominated by the outgoing CRLS seniors. Senior class officers present individualized engraved plaques to the winners at June's commencement ceremony.

Student Travel Fellowships

Students report life-changing experiences when given the opportunity to visit people and places outside their customary experience. The Travel Fellows program enables motivated, academically-qualified students to participate in school-sponsored cultural and service-learning trips, abroad and in the U.S.

FOCRLS has sponsored CRLS student travel to the Dominican Republic (left photo), Spain (right photo), and other destinations.
