Help Expand Access to Life-changing Opportunities!

When you partner with Friends of Cambridge Rindge and Latin School (FOCRLS), you make a difference in the lives of Cambridge students at a critical point in their development. The FOCRLS mission is to support academic, social, and leadership opportunities for students at CRLS, a unique public high school with an extraordinarily diverse population of over 2,000 students. Forty-five percent of our students come from low-income families lacking many of the resources that build a foundation for academic and life success. FOCRLS works to enable **ALL** CRLS students to access life-changing opportunities.

Your sponsorship will ease the financial burden of college for graduating seniors, make it possible for students from low-income families to participate in week-long educational trips, and enable faculty to energize learning for students with enriching projects, experiences, and services. Thanks to generous 2018 Bash sponsors, FOCRLS had a record year in awards: 39 College Scholarships to graduating seniors, 11 Student Travel Fellowships for Ecuador/Galapagos and England/Ireland/Wales, and Faculty Innovation Grants to 20 teachers and staff members. With your sponsorship, FOCRLS will be able to support opportunities for an even greater number of students, grads, and faculty in 2019!

Benefits of Event Sponsorship

- **Prominent recognition of your support** in our media, including our website, social media, email blasts, annual report, event invitations and programs, and signage at the event.
- **A win for you, CRLS students and faculty, and Cambridge.** By supporting our students, you will help to make Cambridge a more inclusive community with an educated, skilled, and diverse population.

FOCRLS STEAM SCHOLARSHIPS **\$5,000 per year (4 year commitment preferred)**

This is a very special opportunity for you or your company to sponsor a qualified, but financially constrained, student to pursue his/her studies in one of the STEAM disciplines. The STEAM fields are Science, Technology, Engineering, the Arts and Math.

FOCRLS is seeking STEAM sponsors who will provide 1-4 years of scholarship funding, as well as offer professional guidance and experience in the field. We have just recently launched this initiative, and our vanguard sponsors have seen the satisfaction of knowing they were helping a student to succeed in their given field, while also offering a unique and fulfilling experience to the individual(s) working with these students.

Please complete the Sponsor Form and mail it with your check payable to *FOCRLS* with “Bash Sponsorship” in the memo line to: Friends of CRLS, P.O. Box 391541, Cambridge, MA 02139.

If you prefer, please pay online at focrls.org using the “Be a Spring Bash Event Sponsor” button.
