FOCRLS works to enable **ALL** CRLS students to access life-changing opportunities. Forty-five percent of our students come from low-income families lacking many of the resources that build a foundation for academic and life success.

Last year, the income from the FOCRLS Spring Bash raised over 85% of the **\$85,000** allocated for 40 College Scholarships to graduating seniors, 14 Student Travel Fellowships, and Faculty Innovation Grants to 14 teachers and staff members. While this was a wonderful achievement, we were only able to fund **less than 10% of the scholarship** requests that we received.

With your generous sponsorship this year, FOCRLS will be able to increase both the number of awards and the individual allocations to ease the financial burden of college for graduating seniors, make it possible for students from low-income families to participate in week-long educational trips, and enable faculty to energize learning for students with enriching projects, experiences, and services. Our goal, with your help, is to increase our allocations this year to \$100,000.

FOCRLS sponsorship is a win for you, CRLS students and faculty, and Cambridge. By supporting our students, you help to make Cambridge a more inclusive community with an educated, skilled, and diverse population.
